

GET BACK ON TRACK

GETBACKONTRACK@LSEC.AC.UK

Do you know someone who has dropped out of a Level 2 or 3 course in the last six months?

If so, our 'Getting Back on Track' programme could help. Aimed at 16-24 year-olds, this is designed to re-engage students and help them gain the skills they need to get back into education, training or employment.

Courses are held at London South East Colleges and start throughout the year, to book a place or to find out more call 020 3954 4608 or email getbackontrack@lsec.ac.uk.

Students who attend will:

- » Achieve a Level 2 qualification
- » Develop an outstanding CV
- » View live job vacancies
- » Take part in job matching activities
- » Work with Morgan Hunt to improve employability skills

We have a proven track record:

- » 38 Students started the last course, 26 returned to education and 7 started an apprenticeship

"I was studying Level 2 Childcare but decided that this was not the right option for me. The Getting Back on Track programme has done just that. I have received lots of support, developed new skills and even started an apprenticeship!"- Alex, 19
